SUMMARY

I am a Frontend Developer with 4.6 years of experience in HTML and CSS, and 5–6 months of hands-on experience in React.js. I focus on building responsive, component-based user interfaces and clean, scalable frontend applications. I have strong UI design skills and follow modern frontend development practices. I am seeking a challenging role as a React Frontend Developer where I can contribute to real-world projects while continuously improving my technical skills.

TECHNICAL SKILLS

- Languages: HTML, CSS, JavaScript
- Frameworks: React JS, Bootstrap 4/5, Tailwind CSS
- Good Knowledge: SASS/SCSS, Mobile Responsive, Git, Figma/Photoshop, CSS issues & Cross Platform issues.
